Join prosecutors from around the world at the 31st Annual Conference and General Meeting of the International Association of Prosecutors, taking place in Riyadh, Saudi Arabia, from **15-18 November 2026**.

Under the theme **"The Criminal Justice System in the Age of Artificial Intelligence: Opportunities, Challenges and Global Applications"**, explore how AI is transforming criminal justice and what this means for you in practice.

Through plenary sessions, focused workshops and specialist discussions, exchange practical insights on tackling AI-enabled crime, navigating ethical challenges and strengthening institutional readiness. Discover global approaches to economic crime and asset recovery, counter-terrorism and international cooperation.

Connect with colleagues across jurisdictions, share experiences and build relationships that support your work beyond the conference. A programme of social events offers further opportunities to meet fellow delegates and enjoy Saudi Arabian hospitality.
